## Each One Reach One — Ideas for Talking about Lord of Life

---

**Our Goal:** Grow the Lord of Life community by inviting others and sharing with them the joys of Lord of Life.

### Who?

Friends

Neighbors

Family

Anyone you meet

### How do I introduce Lord of Life to others?

- Make it casual. You don't have to start a conversation specifically about church and worship. Look for opportunities to talk about Lord of Life activities and how you are involved in the conversations you are already having.
- Invite them to worship or an event, such as our Thanksgiving Meal & Worship on November 23, our Children's Christmas Program on December 14, our Christmas Concert on December 20, Christmas Eve Worship, Feed My Starving Children, Bread Brigade or more.
- Talk about our faith community on Facebook, Twitter, Instagram and other social media. Share pictures of events you attended. Like and share news from the Lord of Life Facebook account.

### What do I say?

- Keep it simple. Tell them what you like about Lord of Life and what drew you to the congregation.
- Some ideas for topics include:
  - Children and youth events (Ignite, Faith Quest, camp outs, ski trips, etc.)
  - Thanksgiving, Advent & Christmas seasonal events and worship experiences
  - Community outreach (Feed My Starving Children, Operation Christmas Child, Bread Brigade, etc.)
  - Small groups (Women's Book Club, Men's, Moms and Daughters)
  - Music ministry
  - The "come as you are" atmosphere
