"JESUS IS MY GUIDE; CATCH THE FIRE!"

July 17-21, 9:30-11:30 am

for ages 3 years and older.

Children will share time in

song, Bible story, craft,

recreation and a light snack.

We will daily study

God's story and faithfulness. Each day we will use energizing camping activities to celebrate how Jesus is guiding each of us as God's children! Each day we will share time in the great outdoors, share crafts and activities, and be blessed by the best Guide of all!

***"Jesus Is My Guide; Catch The Fire"* is a great way for us this summer to learn more about the One who leads us every day. Jesus guides us and gives direction to our lives and hearts every step of the journey.**

Children will make crafts, build on the day's lesson, share friendship, fun, and sing old and new Bible School favorites.

Adults and our “Teen Team” will lead music, Bible story, craft, recreation, and snack. A planning meeting is scheduled for June 25 after worship.
