Simply fill in the required fields on the form and accept the terms and conditions of the site. You will be asked to select two challenge questions and provide answers, which will be required if you forget your password. Keep in mind that your answers are case-sensitive. You will also need to enter our organization's unique enrollment code, listed below. This code allows the ShopWithScrip system to link your account activity with our organization.

Setting up PrestoPay method of payment

Prestopay is the source for setting up your family's payment method. The payments must come from a checking or savings account. PrestoPay is the preferred and currently only method of payment accepted. If this method is not available to you please contact the coordinator.

Simply log into your ShopWithScrip® account, click on the PrestoPay link in the left navigation column, and enter your checking account information. Your account will be credited with two small deposits (example is .15 and .02) from the scrip program to ensure they have the proper account. The deposit time varies but normally a 2-3 days from when checking information is entered. Once you have the deposits return to your account and the PrestoPay link to enter the deposits. Your checking account is then verified you will be sent a secure approval code. Send this code to your coordinator. That's it! You will then be able to choose the PrestoPay option when you check out on shopWithScrip.com, and have your payment securely transferred from your checking account right to our organization. A small \$0.15 convenience fee will apply to each order.
