Welcome to worship. Holy Cross Day comes on September 14. The cross reminds us of Jesus. Look around your worship space and notice the crosses. Where are they? Do they all look the same?

Trace the dotted lines to uncover different kinds of crosses. Do you have a cross at home? What does it look like?

News flash! Joseph forgives brothers

Genesis 50:15-21

Forgiveness is a way of saying "I love you" after you've been hurt by another person. The Bible is full of stories of forgiveness because God always forgives!

I forgive you guys. It's OK! I love you.

Oh look at my beautiful new coat! It's awesome. Thanks Dad!

Hope you like it down there, Joseph! Now we won't have to look at your coat anymore!

Draw a line from the story boxes to their matching pictures. In the speech bubbles write something else you think each person said.

Why did YOU get a new coat and WE didn't? We're mad at you!

Draw a comic strip that shows you forgiving someone.

Jesus says we should forgive someone 70 x 7. How many times is that?
