

Strengthening Our Roots; Building Our Future

Background:

When Lord of Life restructured our loan in July 2016, the 3 year loan allowed \$1000/month of the principal each month to be deferred, without penalty, as long as the principal balance for the year was paid in full each year by the anniversary of the loan. Ideally, we would have paid \$10,300/month, which we did 4 of the last 10 months. 6 of the last 10 months, we paid \$9300, resulting in \$8,000 due by July 1, 2019.

Financial Goals for this Spring Campaign:

| | |
|-----------------|---|
| \$8,000 | Principal balance payment for the year |
| \$15,000 | Parking lot improvements |
| \$2,500 | Summer maintenance and upkeep projects |
| \$15,000 | Meet projected summer shortfall, strengthen our position |
| \$4,500 | Support local mission, outreach, partners including TreeHouse, 'No Horsin' Around' at Canterbury Park, ELCA |
| \$45,000 | Total |

The generosity of one and all, contributing together to prayerfully reach \$45,000 or more will bless our ministry and minimize messages, concerns, this summer.

On behalf of the ministry we share, thank you for your continued faithful giving!
