

# Men's Group

Please feel free to join us any time you are able. We would love to have you participate as often as you would like. You do not need to be a member at Lord of Life to join us.

Everyone is welcome. We meet on the second Saturday of every month at 8:00am. Our gatherings include snack, fellowship and led devotions.

We will be planning our short and long term plans for the group, coordinating activities and events and brainstorming ideas. This meeting is open to everyone interested - please join us!

We are currently looking at leading and starting/restarting the following initiatives:

- Adopt A Highway cleanup efforts
- Spring planting event for our Memorial Garden
- Helping Hands group
- Mens' retreats

If you have any questions, please feel free to email us at:
